

KINGDOM COME

The Mays Family

Kingdom Come features Michael and Joy Mays, along with their four oldest children: Jacob, Natalie, Elena, and Caroline. Michael is a professionally trained tenor who has performed in many venues around the world, and has served as music minister in local churches, leading congregational worship and adult and children's choirs. Joy, an accomplished pianist, has also been blessed with a God-given talent to write beautiful Scriptural poetry, which Michael then sets to music.

Jacob, Natalie, Elena, and Caroline long for everyone they meet to know Jesus, and they do not hesitate to share His Good News with others. They enjoy this opportunity given to them to also write songs and sing in order to bring people to the knowledge of Christ.

Our ministry's purpose is to reach people for Christ, uplift those who already have a relationship with Him, and be used to revive those who are hurting.

What People are Saying

"...I highly recommend [Kingdom Come]... The love of Jesus radiates through this very talented family as they minister in song... It is evident that they desire to reach out and impact the lives of the audience..."—*Pastor Janie Burkett, Hustburg Assembly of God Church (New Johnsonville, TN)*

"I love their singing and how they bring their message to children and adults of all ages. I hired them twice and I highly recommend them."—*Carol Rhines, Grace Bible Church (Dayton, TN)*

"The Mays family not only sang, played, and led with excellence, creativity, beauty and skillfulness, they reflected the love and joy of the Savior through their countenances and expressions. Their music selections were Word and Christ focused and were effective in preparing our hearts to receive Christ's Word with reverence and awe. God has truly blessed this family, and they have in turn shared their blessings with His people in His worship as we savored Christ and His presence through their music."—*Kelly Stultz, First Presbyterian Church (Chattanooga, TN)*
